Childcare Security Services

At Childcare Security Services, we believe every child deserves to learn, play and grow in a safe environment. As a specialised division of Brisbane Alarm Monitoring Security Services (BAMSS), we focus solely on delivering tailored security solutions for childcare centres Australia wide.

Childcare Security Services was founded to meet the unique security needs of early learning centres. Backed by BAMSS and their decades of experiences protecting Australian businesses, including multiple childcare centres and schools, we bring specialised expertise and the latest technology to childcare environments, ensuring safety and compliance without compromise.

About BAMSS

With over 100 years of combined experience, BAMSS delivers innovative, reliable security solutions across commercial, industrial, and government sectors. We combine cutting-edge systems with exceptional service to protect assets, build trust, and raise industry standards.

Our Key Staff

Virginia Tobias, CEO

Virginia Tobias, CEO, has over 30 years' experience in the Security Industry. Beginning her career in the UK, Virginia has global experience in multiple large multinational companies. Virginia has held senior management positions in both distribution and manufacturing of Security, CCTV, Access Control and Fire Equipment.

Virginia works tirelessly with our clients to ensure they receive unparalleled security systems and service.

Jeremy McEvoy, director and founder of BAMSS and Childcare Security Services, has over 30 years' experience in the security industry. He represented Advanced Security Services and ELBEX in Queensland and has overseen integrated security installations across diverse industries.

Jeremy played a key role in the Ipswich Safe City Project, implementing Australia's first digital control room— a benchmark nationally and overseas. He has also worked with major clients, including Main Roads and Roadtech.

Our Mission

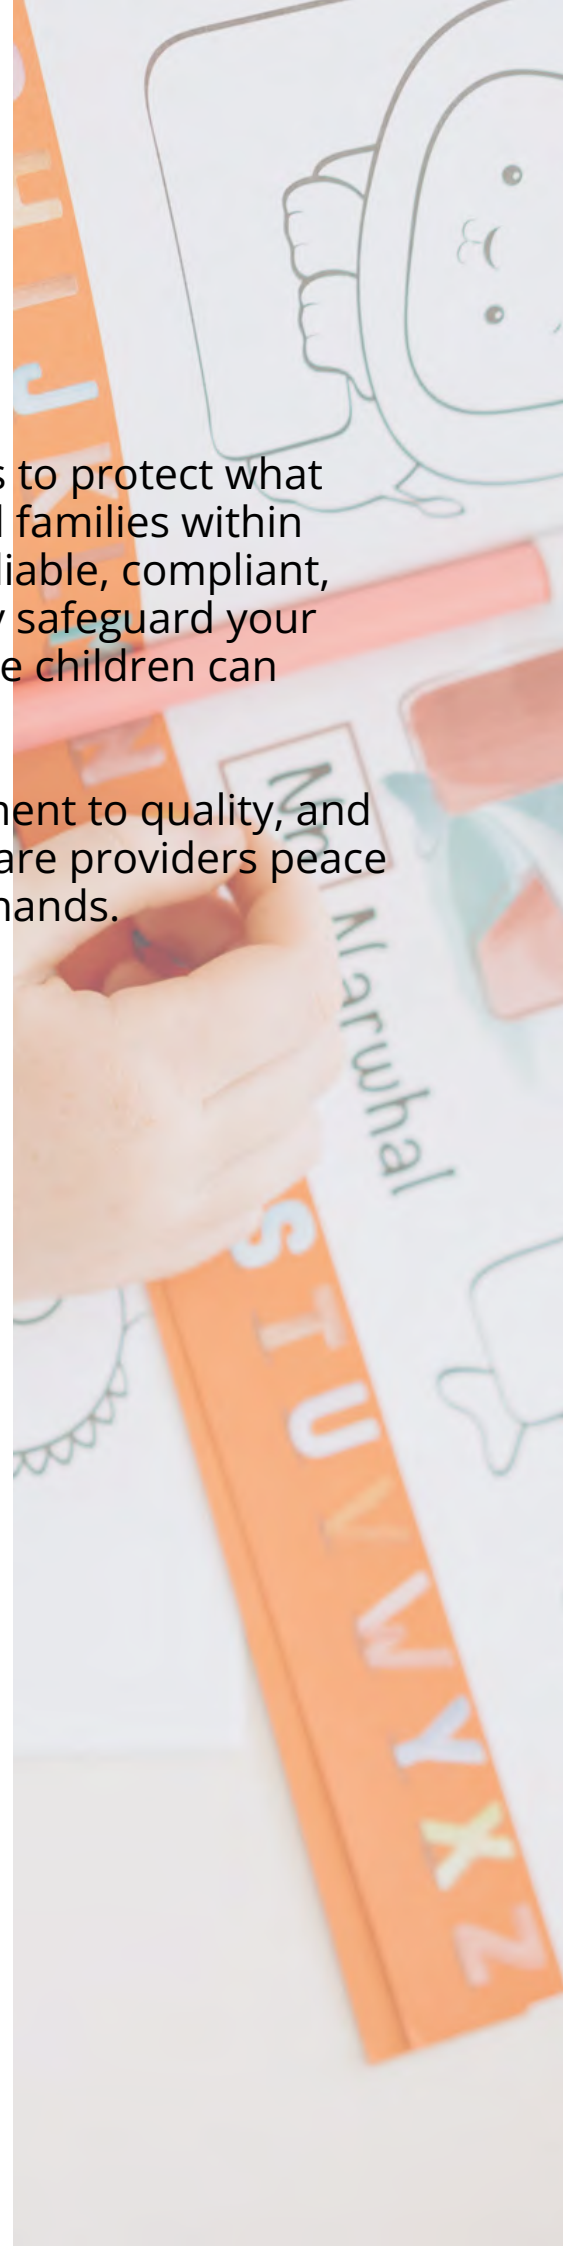

At Childcare Security Services, our mission is to protect what matters most—the children, educators, and families within your care. We are dedicated to delivering reliable, compliant, and effective security solutions that not only safeguard your centre but also create an environment where children can thrive without worry.

Through our specialised expertise, commitment to quality, and partnership approach, we aim to give childcare providers peace of mind knowing their security is in trusted hands.

Childcare Security Services Quality Statement

Childcare Security Services delivers high-quality security solutions to childcare facilities across Queensland. Our experienced, industry-trained staff and contractors, combined with rigorous internal procedures, are the foundation of consistently excellent outcomes.

Every role is guided by quality-driven processes that are continuously reviewed and improved, ensuring our services remain at the highest standard. Our service charter emphasises the importance of customer care, with every team member understanding their responsibility to deliver exceptional service at all times.

Our Values

SAFETY FIRST

Children's safety is at the heart of everything we do

INTEGRITY

We act with honesty and transparency in all our work

EXPERTISE

Our team combines industry knowledge with practical experience to deliver the best outcomes

PARTNERSHIP

We work alongside providers to create solutions that suit their centre's needs and community

Culture Statement

Childcare Security Systems is committed to creating a positive, supportive work environment where staff and contractors feel valued, confident, and empowered. Through comprehensive training and a strong team culture, every role is respected, and all tasks—big or small—are approached with pride and professionalism. This focus on staff wellbeing and collaboration ensures high-quality performance, career fulfillment, and exceptional outcomes across all our childcare security services.

Our Services

Whether you're upgrading an existing system or planning new installations, our team is ready to design the right, bespoke security solution for your childcare facility.

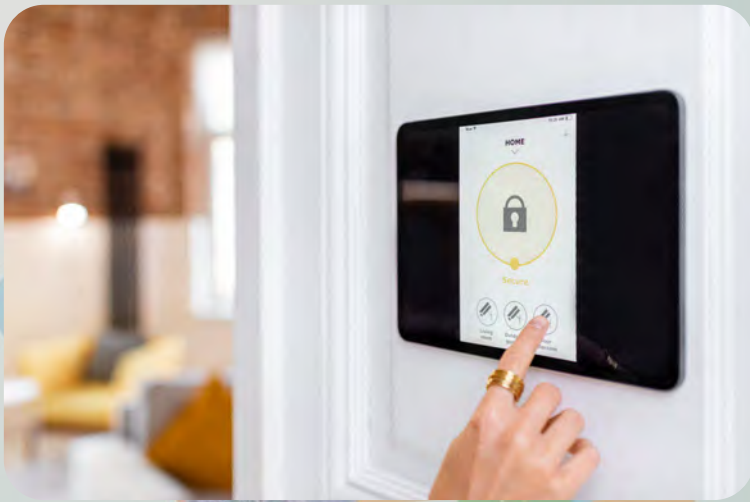

CCTV Surveillance Systems

Protect your centre 24/7 with high-definition CCTV, night vision, secure remote access, and full compliance with Australian privacy laws.

Smart Access Control Solutions

Control access to your centre with secure keycard or biometric systems and visitor management for safety and accurate records.

Alarm Systems

Protect your centre with integrated alarms, intrusion alerts, 24/7 monitoring, and rapid emergency response for complete peace of mind.

Compliance & Privacy Consulting

We provide privacy guidance, camera placement advice, and compliance audits to help your centre meet regulations confidently.
